## The Last Fish Tale: The Fate of the Atlantic and Survival in Gloucester, America's Oldest Fishing Port and Most Original Town

By Mark Kurlansky

Penguin Putnam Inc. Paperback / softback. Book Condition: new. BRAND NEW, The Last Fish Tale: The Fate of the Atlantic and Survival in Gloucester, America's Oldest Fishing Port and Most Original Town, Mark Kurlansky, "A marvelous, compelling tale" ("Rocky Mountain News") from the "New York Times" bestselling author of "Salt" and "Cod." Gloucester, Massachusetts, America's oldest fishing port, is defined by the culture of commercial fishing. But the threat of over-fishing, combined with climate change and pollution, is endangering a way of life, not only in Gloucester but in coastal cities all over the world. And yet, according to Kurlansky, it doesn't have to be this way. Engagingly written and filled with rich history, delicious anecdotes, colorful characters, and local recipes, "The Last Fish Tale" is Kurlansky's most urgent story, "an engrossing multi-layered portrait of a fishing community that can be read for pure pleasure as well as being a campaigning plea for the environment" (Financial Times).

### Reviews

*This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- **Brennan Koelpin**

*Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*
