Salvo Press, United States, 2009. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Astronaut Curt Lucas has lost his family, lost his faith and lost control of a sabotaged space station. Caught in a near-future world of Chinese hegemony and radical fundamentalism, Curt s unlikely return to earth marks the beginning of a desperate struggle for America s soul. The race to find a sacred vessel thought by some to offer eternal salvation, or a plunge toward Armageddon by others, leads Curt to alien worlds and beyond. His journey uncovers a secret order of Christian martyrs ready for the coming Rapture, an eccentric quantum physicist developing anti-gravity weapons and his own son s link to an ancient power-a power that could usher in the very prophecy so many seek to avoid. Packed with a diversity of detail, from Buddhist prayer wheels to super weapons, God s Eye merges the distinct realms of science and religion by viewing faith through the prism of physics. It is string theory with a divine dimension, exploring the dangers of faith without reason.
