Every member of the Society profited by the Doctor s very detailed presentation of not only the science of diagnosis, but, as well, its application in detail of such tests as Blood, Chemistry. Renal Efficiency, and Basal Metabolism. His series of cases showing Basal Metabolism as affected by infection through reports from his own laboratory, were extremely interesting and promises much for the understanding of th- fuudamenta s in the functioning of the body. We are Both Working for the Same End VOU. doctor, by your strict physical examinations must discover the appalling prevalence of spinal troubles and diseases. In your practice, adapted to giving efficient aid in all such cases, doubtless you have discovered the need of some practical appliance designed on scientific principles, as a substitute for the old, cumbersome and painful Plaster, Leather and Steel and...
