A SENSE OF DUTY: OUR JOURNEY FROM VIETNAM TO AMERICA

Presidio Press, 2010. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Quang X. Pham's memoir on parallel tracks-his life, and his family's, in Vietnam and then America-is a story of hardship, separation, and loss, but ultimately also of courage, loyalty, patriotism and achievement, an inspiring human story movingly told." --Lewis Sorley, Author of "A Better War: The Unexamined Victories and Final Tragedy of America's Last Years in Vietnam" "A Sense of Duty is a poignant story of two distant wars, service by father to South Vietnam and Marine son to the United States in the Persian Gulf, but ultimately it is a son's tribute to his father and a way of saying "thank you" to all in his father's generation who served honorably to defend freedom and whose story has yet to be told." --Larry Berman, author of No Peace, No Honor: Nixon, Kissinger and Betrayal in Vietnam In his singular memoir, Quang X. Pham examines a forgotten, unexplored tract of that purgatory of the American Dream known as Vietnam. His surprising account of family and war, sacrifice and redemption is essential for anyone who would seek to understand the legacy of that lost conflict and the generation-spanning turmoil to come in Iraq. Congratulations on a fine book. --David J. Morris, author of Storm on the Horizon: Khafji-The Battle that Changed the Course of the Gulf War Quang Pham's journey from refugee to Marine Corps Combat Aviator spanned two countries and two wars in search of honor and triumph. With A SENSE OF DUTY, Pham has achieved both: this tale of his and his father's wars is a testament to the heart, told with an aviator's stiff courage and clear vision. Insistently aware that war's passions extend their energies through generations--preserving the twisted genetic strands of both...
