Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1894 Excerpt: .Company intended going out of business and asserted that they had a right to make this sale by virtue of the bylaws of the company. The Producers Oil Company claims that, to get its product to market, it was necessary to construct a pipe line to the seaboard. The promoters of the Producers company were instrumental in getting up the United States Pipe Line Company, which has constructed its seaboard pipe line as far as Wilkesbarre, Pa. The Producers purposed to turn over to the United States Company its lines from McDonald to Titusville, thus making a continuous line to Wilkesbarre, with the expectation of soon having it carried on to the seaboard. The board of managers carried out this plan. Monday, March 19th. The market today was devoid of any special or interesting feature. The crude oil or certificate market opened at 82½c, the closing price for the Saturday previous and failed to improve this position. Field news was confined to territory about Mannington where a test well made a strike. This well was regarded as the most important venture in that field for the reason that it is located the farthest to the West of any well yet drilled in that field. Coming in light it will discourage any further efforts to extend the field to the West. A light well or a duster in that field outside of defined limits has a depressing effect owing to the great cost of drilling to the...
