CORPORATE TIME THEFT: YOU CAN T AFFORD TO IGNORE IT

Trafford Publishing, Canada, 2012. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Few people are watching or checking, and few businesses do anything about time theft in their organizations-even though everyone knows it is both wrong and ubiquitous. The truth is you may be losing hundreds of thousands-if not millions-of dollars because of time theft. The typical employee steals about two hours of time each day, which means you re losing five hundred hours of work over fifty weeks. If an employee earns \$20 per hour, that means he or she could be stealing \$10,000 from you every year. Start hitting your projections, and keep your employees on task with this profit-building guidebook. You can learn how to reduce and even eliminate improper Internet usage, texting at work, and the transaction of personal business on company time. Time is money, and stealing it is no different than taking products or cash. Recognize the problem, and use simple and proven strategies to prevent and control Corporate Time Theft.
