

And One Pill Makes You Small

By Randy Crenshaw

Resource Publications (CA), United States, 2015. Paperback. Book Condition: New. 213 x 142 mm. Language: English . Brand New Book ***** Print on Demand *****.Americans are using more medical services every year, but as many as half of those services do nothing to improve their health. For many, the alarming rise in health care costs is stretching family budgets to the breaking point. This book challenges the notion that more medical care is always better. A clearer understanding of the health benefits--and the risks--of the most widely prescribed drugs and the most commonly performed procedures will enable you to evaluate your doctors recommendations in a new light. For example, before you go to see your doctor, you can learn the answers to questions like: What is the exact probability that taking a statin drug will protect me from a heart attack? Does spinal surgery relieve back pain better than rehabilitation programs? Using examples from real patients, you will learn how to steer the conversation with your doctors to be sure your questions are answered and your preferences respected. Finally, if you read this book you will be reminded of the Bible s message about life on earth and life after...

Reviews

An extremely wonderful pdf with perfect and lucid information. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Elenor Koch PhD**

This publication will be worth purchasing. It is writter in straightforward words and not hard to understand. I am just very happy to explain how here is the best ebook we have read in my own lifestyle and might be he best publication for at any time.
